FIRST YEAR EXPERIENCE options – choose one:

First year experience options are for first-time first-year students. They include a first-year seminar course designed to foster connection, academic success, and exploration. Please talk with your advisor about the option best for you.

Key communities Cluster (seminar + 2 AUCC classes)	Seminar Super-Cluster (IU172 + composition + & AUCC Arts & Humanities class)	Seminar Cluster (IU172 + composition class)	Stand-alone seminar (IU172)	Explorer’s Challenge (independent exploration)
---	---	--	------------------------------------	---

Will we have seminar super-clusters in SM25?

Will we have Explorer’s Challenge in 25-26?

FOUNDATIONAL course options:

Important note: Some majors in this track require college algebra, while other majors allow more math choices. Math is recommended in the first year and required by 60 total credits. Completing the math placement tool is helpful prior to orientation (or first day of classes).
